POPE LEO ON AMERICA 250

Pope Leo XIV's Letter to the United States

As the United States marks the 250th anniversary of its founding, Pope Leo XIV has issued a special letter to the American people, offering prayers for the nation and encouraging all citizens to renew their commitment to the principles of human dignity, religious liberty, justice, and the common good. The letter, released ahead of Independence Day, reflects on America's founding ideals and calls on people of faith to help build a society rooted in truth, charity, and hope.

In conjunction with this historic anniversary, Pope Leo XIV was also awarded the 2026 Liberty Medal by the National Constitution Center. The honor recognizes individuals whose leadership has advanced the blessings of liberty throughout the world. The Holy Father was recognized for his steadfast witness to religious freedom, the dignity of every human person, and his commitment to justice and peace.

Find Pope Leo's Letter by Scanning Here:

In his acceptance remarks, Pope Leo reflected on the Declaration of Independence's affirmation of the rights to "life, liberty, and the pursuit of happiness," reminding Americans that these ideals are best realized when they are grounded in respect for the God-given dignity of every person. He also expressed gratitude for the nation's tradition of religious freedom and called for continued care for the poor, the vulnerable, and those seeking a better life.

We encourage all parishioners to read the Holy Father's inspiring letter by scanning the QR code included here. May his words deepen our gratitude for the gift of religious freedom and inspire us to be faithful witnesses to Christ in our homes, our parish, and our nation.
